Tech Systems, Inc. Receives THE 2010 STANLEY HEALTHCARE SOLUTIONS PATIENT SECURITY DEALER OF THE YEAR AWARD

Duluth, GA – April 12, 2011 – Tech Systems, Inc. announced today it has received the 2010 Stanley Healthcare Solutions Patient Security Dealer of the Year Award.

The Dealer of the Year award recognizes excellence in selling, installing and supporting Stanley Healthcare Solutions' Patient Security product line, which includes the Hugs[®] infant protection system, the Pedz[™] pediatric protection system, and Passport[™] patient protection system.

Steve Powell, Business Development Manager of Tech Systems, Inc., stated, "The partnership between Tech Systems, Inc. and Stanley Healthcare Solutions continually strives to deliver the highest level of patient security and client satisfaction in the healthcare arena. The Stanley Healthcare Solutions family of infant, pediatric, and adult protection products represents the industry benchmark in terms of design, dependability, and clinical support. When this is combined with Tech Systems, Inc.'s fanatical pursuit of customer satisfaction, dedicated staff, and corporate philosophy that refuses to accept failure, the end result is an ever-growing list of healthcare facilities comfortable and confident in the knowledge that they made the right decision when they chose Tech Systems, Inc. and Stanley Healthcare Solutions. On behalf of Tech Systems, Inc., I am honored to be a part of this success and to be recognized for the second year in a row as the Stanley Healthcare – Patient Security Dealer of the Year."

"We are pleased to acknowledge the important contribution that Tech Systems made to the success of the Patient Security product line in 2010," says Aurel Lebel, Sales Manager for Patient Security at Stanley Healthcare Solutions. "Effective patient security is a team effort that involves us as manufacturer, our dealers, and the staff and administration at the hospital. Tech Systems' dedication to meeting the individual needs of customers exemplifies what sets Stanley Healthcare and its dealer channel apart from the competition."
