

WESTMINSTER, CO – November 1, 2013 –PSA Security Network announced the owner award winners during the President's Awards dinner, at Convention 2013 at the Sheraton Wild Horse Pass Resort and Spa. Awards were given to those who had the highest sales increase and overall sales for their regions and amongst all of the co-op purchasers. Tech Systems, Inc. was awarded the Top Purchaser of the Year Award.

“It came as no surprise to me that Tech Systems, Inc. won the Top Purchaser Award this year,” says Bill Bozeman, CPP, President and CEO of PSA Security Network. “They have created some innovative methods to providing top-of-the-line solutions to their customers, including managed services, which is something many of our integrators are still trying to figure out. We are pleased to recognize TSI for their success and are proud that they are a PSA Owner Company.”

Tech Systems, Inc. has been a member of PSA Security Network dating back over 20 years. “We use PSA Security Network as our partner for sourcing the various technology components we need for our customers,” says Darryl Keeler, owner of Tech Systems, Inc. “PSA offers some of the best training, technology and business solutions in our industry. Participating in PSA is an important part of our success.”

About PSA Security Network

PSA Security Network (www.buyPSA.com) is the world's largest electronic security cooperative, and is growing through the acceptance of new customers. PSA owners are responsible for over \$2 billion annually in security, fire, and life safety installations. These leading security systems integrators specialize in the design, installation, integration, and maintenance of access control, video surveillance, intrusion detection, fire, and life safety systems. PSA is an expert in education, hosting the annual TEC, by PSA Security Network, conference for industry training and certification, exhibits, and networking opportunities, as well as a resource for industry solutions including PSA Leadership Institute and PSA Business Solutions programs.
