## **Tech Systems, Inc. Hires Experts: Deborah Casey and Bruno Desrochers**

Professionalism in the design and implementation of security solutions continues to be the priority at Tech Systems.

**Buford GA, May 10, 2018:** Tech Systems, Inc. today announced its hiring of Deborah Casey, CPP, CFE and Bruno Desrochers.

Ms. Casey joins Tech Systems with over forty years of experience in security industry. After twenty years with The Coca-Cola Company where she held the position of Global Security Technology Manager and retired in March, 2018, she has chosen to continue serving the industry in a consultative role at Tech Systems.

"Ms. Casey's previous responsibility for building a global standard technology platform for The Coca-Cola Company across multiple business units and creating value to the organization through the use of physical security systems will provide Tech Systems' clients with great insight and unparalleled professionalism," says Wayne Smith, *CISSP, CISM, CPP*, President, Tech Systems.

Prior to her career at The Coca-Cola Company, she was the Assistant Security Director for Bank South for thirteen years and spent seven years as with Tech Systems Inc. She brings a wealth of experience in the design and implementation of physical and logical security systems. Ms. Casey currently holds the following certifications; ASIS Certified Protection Professional (CPP), Certified Fraud Examiner (CFE) and State of Georgia Low Voltage electrician license. Ms. Casey received her Bachelor's degree in Criminal Justice from Georgia State University.

"I am thrilled to have the opportunity to give back to the industry in this capacity with Tech Systems," says Casey. "Security management is a difficult yet rewarding job. I look forward to sharing my experiences with others in this position so they can effectively mitigate risk and transform security programs and technology into value-generating solutions for the enterprise."

Mr. Desrochers brings over 22 years of experience in the industry, starting as a draftsman in 1996 working on a short term contract. Most recently Mr. Desrochers served at Altel Electronic Security as a Sales Manager in Montreal Quebec. Mr. Desrochers currently serves on the Integrator Advisory Council for Tyco Security Products and will apply his extensive knowledge and experience in technology, service and business development to further expand Tech Systems' presence throughout Canada.

"Mr. Desrochers is well respected in the industry, works with industry leaders and makes contributions for product roadmaps of emerging industry technologies," says Antoinette Modica, General Manager, Tech Systems. "Our footprint in Canada is rapidly expanding and Mr. Desrochers will serve as a critical asset to delivering professional design, implementation and FOCUS® Support Services to Tech Systems' clients."
